Recommendation

That the Minutes of the Hunterville Community Committee meeting held on 18 April 2011 be taken as read and verified as an accurate and correct record of the meeting.

4 Matters arising

5 Council decisions on recommendations from the Committee

At its meeting on 26 May 2011 the Council undertook to arrange for Officers to work with the Hunterville Councillor to identify what is required regarding the maintenance of the garden at the Argyle corner alongside SH1.

6 Half-year condition ratings of public toilets

One of the levels of service in the 2009/19 LTTP is that six-monthly rating of public toilets from the Community Boards / Community Committees on a 1-10 scale would be greater than 7. Attached is a template for all toilet sites in the district funded by Council. The Committee is asked to form and record its collective view on the Ratana toilets by averaging responses from individual members. This average rating is to be submitted to Council with the minutes of this meeting.

7 Feedback: Long Term Plan pre-consultation

A report is attached.
