The quorum for the Marton Community Committee is 5 plus one elected member of Council

At its meeting of 28 October Council resolved that 'The quorum at any meeting of a standing committee or sub-committee of the Council (including Te Roopu Ahi Kaa, the Community Committees, the Reserve Management Committees and the Rural Water Supply Management Sub-committees) is that required for a meeting of the local authority in SO 2.4.3 and 3.4.3.'

1 Welcome

2 Apologies

3 Update from the Project Marton Co-ordinator

4 Minutes of the previous meeting

Recommendation

That the Minutes of the Marton Community Committee meeting held on 2 August 2011 be taken as read and verified as an accurate and correct record of the meeting.

5 Matters arising

6 Council decisions on recommendations from the Committee

At its meeting on 25 August 2011 Council adopted the following recommendation from the Marton Community Committee meeting of 2 August 2011.

11/MCC/019

That Council investigates the feasibility of making the Lower High Street bus stop more user friendly, with a view to MCC using a portion of its Small Projects Fund, in conjunction with the original community partners and RDC, to do the work required.

The Council also undertook to share the street tree policy with Community Boards and Committees following development.

7 Draft financial strategy

The current draft is attached for information and comment.

8 Safer rail crossing between Gordon Crescent and Toia Street, Marton – update

Discussions are currently proceeding with KiwiRail and OnTrack about providing a safer crossing than is now the case.

9 Town clock

A suggestion has been received to relocate the clock on the former Post Office building onto a shop frontage in Broadway. An alternative to this would be to relocate the clock onto one of Council's public buildings in Marton. The Committee's views are sought.

10 Waste minimisation

A document will be tabled.
