Recommendation

That the Minutes of the Bulls Community Committee meeting held on 5 October 2011 be taken as read and verified as an accurate and correct record of the meeting.

4 Matters arising

5 Strategy session

The Committee is planning on asking local strategic people to participate in a “big picture” plan for the town.

6 Update on Long Term Plan (2012-2022)

A report is attached on the progress in developing the Council’s Long Term Plan for 2012-2022.

Recommendations

- 1 That the memorandum and attachment “2012-22 Long Term Plan – Key Choices and Feedback from pre-consultation” be received.
- 2 That the Committee provide feedback on the Council’s preferred options and key choices for the draft 2012-22 LTP as at 1 December 2011.

7 Half-yearly condition rating of public toilets

One of the levels of service in the 2009/19 LTTP is that six-monthly rating of public toilets from the Community Boards / Community Committees on a 1-10 scale would be greater than 7. Attached is a template for all toilet sites in the district funded by Council. The Committee is asked to form and record its collective view on the Bulls toilets by averaging responses from individual members. This average rating is to be submitted to Council with the minutes of this meeting.
