**Recommendation**

That the report "Update on Long Term Plan (December 2011)" be received.

**7 Half yearly condition rating of public toilets**

One of the levels of service in the 2009/19 LTTP is that six-monthly rating of public toilets from the Community Boards / Community Committees on a 1-10 scale would be greater than 7. Attached is a template for all toilet sites in the district funded by Council. The Committee is asked to form and record its collective view on the Marton toilets by averaging responses from individual members. This average rating is to be submitted to Council with the minutes of this meeting.

**8 Marton Waste Water Treatment Plant**

A copy of the compliance report is attached for discussion.

**9 General business**
