6 2012-22 Long Term Plan: Key Choices and Feedback from pre-consultation

A report is attached on the progress in developing the Council's Long Term Plan for 2012-2022.

- 2 That the Committee provide feedback on the Council's preferred options and key choices for the draft 2012-22 LTP as at 1 December 2011.

7 Draft Waste Management and Minimisation Plan (as presented to SP&P 29 September 2011)

A report was presented for discussion at the October meeting, and members wished to consider this issue again at the December meeting after having further time to reflect on the report.

8 Half yearly condition rating of public toilets

One of the levels of service in the 2009/19 LTTP is that six-monthly rating of public toilets from the Community Boards / Community Committees on a 1-10 scale would be greater than 7. Attached is a template for all toilet sites in the district funded by Council. The Committee is asked to form and record its collective view on the Turakina toilets by averaging responses from individual members. This average rating is to be submitted to Council with the minutes of this meeting.
