

## Senior Animal Control Officer

There is a sheep wandering on State highway 1, a lady has just bought in a little lost dog, she wants to know if she can keep it at her place. One staff member has rung in sick and you have another on holiday, your report to Council is due tomorrow and you haven't even had a coffee this morning. This could be the day in the life of an Animal Control Team Leader!

We are looking for an outstanding person to lead our team in the animal control area. It is a demanding role that requires commonsense, being able to think on your feet and being able to maintain a sense of humour, passion for getting the job done and inspiring those around them.

Got your interest so far, then read more:

We provide animal control services to both the Rangitikei and Manawatu Districts under a shared service agreement.

These are the skills and knowledge that we are looking for:

- A history of quality animal control service within local government
- An in-depth working knowledge of relevant legislation, regulations and codes
- Quality administration skills including computer literacy.
- High levels of ability in conflict resolution
- Developed problem solving skills and an ability to develop and document compliant processes.
- An ability to inspire and motivate those around you
- Experience and skill in working with other agencies e.g. Police, Courts and SPCA

If you are an experienced animal control officer and believe that, you have what it takes to develop our team we would love to hear from you.

You would be notionally based in Marton but your duties would be carried out throughout both districts. There is an attractive remuneration package, which includes the use of a council vehicle.

The Rangitikei and Manawatu are great places to live, great schools, great towns and all the outdoor pursuits you could imagine.

Apply today! Our website will take you through the application process.
